# The only combination of **Chelated trace minerals + Nutrient rich Seaweeds** for desired growth and maximum performance.

- BOT is a unique combination of chelated minerals and natural seaweeds which provides an advantage over use of other traditional trace minerals.
- This unique combination provides superior delivery system and better bioavailability. This helps in healthy growth and improved performance.
- Provides the desired amount of Chelated Minerals, Vitamins, Amino acids and other natural bio-available nutrients which makes it a better choice than any other trace mineral.

## **BENEFITS**

- Superior Balancing of Metabolic and Enzymatic Reactions that helps maintain healthy growth and improves performance.

## **FOR BREEDER**

- BOT aids in reproductive functions, with better fertility, hatchability and egg shell thickness.

## **FOR BROILER**

- BOT brings faster Weight Gain, with better body score & meat quality.

## **FOR LAYER**

- Use of BOT results in higher productivity of the bird and improves the quality of eggs.

***MAKE YOUR BIRDS A HEALTHY LOT  
GIVE THEM A DAILY DOSE OF BOT***
